ENDNOTES AND PERSONAL OBSERVATIONS

1. Civil War records of Benjamin C. Grubb show his birth in 1820, but the Ohio census of both 1850 and 1860 would indicate his birth is 1817. If the census is accurate, then he was 45 when he enlisted. Perhaps 45 was too old for enlistment while 43 made it possible, or at least more probable. War service records sometimes calls Benjamin C. "Benjamine F"; they are unquestionably the same person.

2. The Gregg-Goldsberry story comes to me from some of Benjamin C.'s descendants - Sharon Owen of Azalea, Oregon and Jo Stephens of Tulsa, Oklahoma who document their material quite well.

3. This information is gleaned from a published copy obtained at the Denver Public Library entitled "Family Tree of Goldsberry". Had the author looked more closely as I did he would have noticed that in the census of 1840 (Ohio), the very same Ross County (Concord Twp) 1830 Goldsberrys were now spelling their names Goldburg, Goldsborough, Goldsbough, and Goldsboro. Had there been a great family schism, or was the census taker short-shrift on spelling skills? Changing spellings, however, is not uncommon in the annals of American surnames.

4. Military information is gleaned from Benjamin C.'s Civil War service records which I obtained in Washington, D.C.; from Union County History of the 30th Ohio Infantry, particularly Company E; from the historical writings of Pulitzer Prize winner Bruce Catton noted for his moving analysis of the Civil War; from a college text written by one of my professors at the University of Illinois, Richard N. Current.

GENERAL SERVICES ADMINISTRATION

GSA FORM 6751 REV. 1-78

Do NOT use this form to request photocopies of records relating to service in World War I or II, or subsequent service.

Write to: National Personnel Records Center, GSA, (Military Records), 9700 Page Boulevard, St. Louis, MO 63132.

TYPES OF RECORDS THAT CAN BE ORDERED WITH THIS FORM

PENSION APPLICATION FILES based on United States (not State) service before World War I. Pension or bounty-land warrant application files usually include an official statement of the veteran's military or naval service, as well as information of a personal nature. Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war.

BOUNTY-LAND WARRANT APPLICATION FILES based on United States (not State) service before 1856. In addition to service, data, these files usually give the veteran's age and place of residence at the time the application was made.

MILITARY SERVICE RECORDS based on service in the United States Army (officers who served before June 30, 1917; enlisted men who served before October 31, 1912); Navy (officers and enlisted men who served before 1896); and Confederate armed forces (1861-65). We cannot provide photocopies of files for veterans whose service terminated less than 75 years ago; however, we are usually able to provide certain information from the files. Military service records rarely contain family information. The record of an individual's service in any one organization is entirely separate from the record of the service in another organization. We are ordinarily unable to accurately establish the identity of individuals of the same name who served in different organizations. If you know that an individual served in more than one organization and you desire copies of the military service record, submit a separate form for the service record in each organization.

INSTRUCTIONS FOR COMPLETING THIS FORM

Submit a separate set of forms for each veteran. Do NOT remove any of the sheets of this 3-part set. **Do NOT mail payment with your order.** You will be billed $3.00 for each file reproduced.

Mail completed form to:

IMPORTANT INFORMATION

When you send more than one form at a time, each form may be handled separately and you may not receive all of your replies at the same time.

When, because of the size of a file, we are unable to provide copies of all documents, we send copies of the documents we feel will be most useful to you. You may order copies of all documents in a file by making a specific request and giving us authorization to bill you 20¢ per page ($3.00 minimum).

When we indicate that we have numerous files for veterans of the same name given, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine the file for you. As a matter of policy, the National Archives does not perform research for individuals; therefore, we are unable to make a file-by-file check to see if the information in the numerous files matches the information you have provided.

The Board for Certification of Genealogists, 1307 New Hampshire Avenue, NW., Washington, DC 20036, can provide you with names of persons in the Washington area willing to do research for a fee. Also, genealogical researchers advertise their services in "The Genealogical Helper," the most widely circulated genealogical magazine available in most libraries having a genealogical section, or by subscription from Everton Publishers, P.O. Box 368, Logan, UT 84321.

More information about the availability of armed service records may be found in our free genealogical information leaflets and forms. These may be requested by writing to the address mentioned under "Instructions for Completing this Form."

REPLY TO INQUIRY – MILITARY

You will find an answer to your inquiry in the statement(s) checked below. We do not keep copies of this correspondence. If it is necessary for you to write again, please return this form and all related correspondence to:

☐ 1. The enclosed information will help answer your recent inquiry.

☐ 2. Please review carefully the enclosed leaflet which describes the contents of military and related records on file at the National Archives, and resubmit your request for copies on the enclosed NATF Form 26, Order and Billing for Copies of Veterans Records. (Because of the volume of requests we receive each day, we must limit our service to processing requests submitted on the prescribed forms.)

☐ 3. To locate a veteran's file, we need the following information: (1) name of veteran; (2) war or period in which he fought; and (3) State from which he served.

☐ 4. The National Archives does not have records relating to military service prior to the Revolutionary War. You may be able to obtain information by writing the State archives in the State from which the veteran served.

☐ 5. The National Archives does not have records relating to service in World Wars I or II or subsequent service. You may obtain information by completing the enclosed Standard Form 180 and directing it to: National Personnel Records Center (Military), 9700 Page Boulevard, St. Louis, MO 63132.

☐ 6. Prior to 1944, Army regulations allowed the preparation of only an original discharge certificate which was given to the soldier. The National Archives would not have the certificate on file unless it was later submitted by the veteran in support of a pension or bounty-land claim. ***Confederate*** soldiers in service at the time of surrender did not receive discharge certificates. They were given paroles, and these became the soldiers' property.

☐ 7. Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war.

☐ 8. A soldier's record does not necessarily show all battles or engagements in which he may have participated, nor does it necessarily list all of the officers under whom he served.

☐ 9. The bounty land warrant application files relate only to claims based on service rendered in wartime between 1775 and 1855.

☐ 10. Records in the National Archives relating to burials of veterans are incomplete. You are advised to address your request for information from burial records to the Director, Cemetery Service (41A), National Cemetery System, Veterans Administration, Washington, DC 20420.

☐ 11. When a file fully reproduced will contain more than ten pages of reproductions, we select from the file for reproduction the documents we determine to be of the most value to you for genealogical purposes. By specifically requesting, you may receive copies of all documents in a file. We will bill you for the additional reproduction cost.

☐ 12. A veteran's ***military service record*** is a file separate and apart from pension files and bounty land warrant application files. Compiled military service records do not normally contain family information.

☐ 13. We are enclosing reproductions of a summary of the veteran's military service, taken from his pension application file.

☐ 14. A brief history of the organization and activities of the military unit mentioned can be found in Frederick H. Dyer's ***A Compendium of the War of the Rebellion*** (New York, 1959), Volume 3. Your local library may either have this publication, or be able to assist you in locating a copy.

Obituary

Mr. William H. Grubb died at his home near Utopia on Monday October 21, 1869 at 11 o'clock P. M. Mr. Grubb had been in poor health for years and for the past year he was confined to his bed as a constant sufferer. He was born in Logan Co. Ohio, October 8 th. 1844, and at the age of 18 years he enlisted in Co E 73rd Ohio Inf. and served until December 29 1864, then returned to his home and at the age of 20 he united in marriage to Mattie L. Green; they lived in Ohio until 1885, then moved to Greenwood County Kansas. To this union were born 7 children 5 boys and 2 girls, all of whom are living: Millard and Bernice and Mrs. John Dodd of Oklahoma, Harry, of Ottumwa Kansas, Ray of Emporia, Mrs Otto Donaldson and Leland Grubb of Utopia. Mr. Grubb was converted when but a mere boy, and united with the Methodist church and had since been identified with some branch of the church; at the time of his death, a member of the Free Methodist church. Funeral services were held at Utopia Wednesday, December 25 at 11 o'clock conducted by Rev. Oliver of Hamilton and interment was made in Greenwood cemetery. The bereaved family have the sympathy of the community.

Card of thanks.

We desire to thank our neighbors and friends for their kindness and sympathy during the long illness and death of our dear husband and father and especial thanks to the Relief Corp for their kindness.

MRS. M. L. GRUBB.

In Memoriam.

At a special meeting of Sincerity Lodge No. 118, Daughters of Rebekah, I. O. O. F., at Pharisburg, Ohio, Feb. 15th, 1884, the following resolutions were adopted:

WHEREAS: It has seemed best to Him "Whose breath is in man's nostrils" to remove from our midst our beloved sister, Mrs. Mattie White; and

WHEREAS: Our intimate association with her since the institution of our Lodge, of which she was a charter member, has ever rendered us more and more sensible of the purity and worth of a character which few could hope to equal and none to excel, we deem it eminently proper that a testimonial, both of our great esteem for our departed sister and our lasting bereavement be placed on record. Therefore be it

Resolved, By Sincerity Lodge, No. 118, Daughters of Rebekah, I. O. O. F., that, while we bow in humble submission to the will of "Him Who doeth all things well," we do not the less deeply mourn for our sister who has passed before us to that mysterious bourne from whence we know no traveler may return—who has been called thus early from labor here to rest and refreshment in the eternal Lodge on high.

Resolved, That in the death of sister White this Lodge has lost one of its brightest ornaments and most efficient members whose noble example and many virtues all would do well to emulate, for she was never known to swerve from her duty, violate her vows or betray her trust.

Resolved, That we extend our heartfelt sympathy to the bereaved relatives for their irreparable loss of a devoted wife, fond mother, dutiful daughter, and affectionate sister.

Resolved, That these resolutions be inscribed on the minutes of this Lodge, published in each of the county papers, and a copy presented to the bereaved family, and that our charter be draped in mourning for sixty days.

MARY SKIDMORE, }
MAGGIE SICKLES, } Com.
ELIZABETH GREEN. }

DIED.—On Friday, May 27th, at Pharisburg Ohio, AMOS H. GREEN, in the 41st year of his age. The deceased leaves a wife and six children to mourn the loss of a kind father and husband.

Tribute of Respect.

WHEREAS, It has pleased the Great Architect of the Universe, to remove by death Mr. A. H. Green, one of the oldest and tried members of the Franklin Society, therefore,

Resolved, That while we regard his loss as a member of our Society, we are not unmindful that our loss is his gain.

Resolved, That this Society deeply sympathize with his afflicted family, and hope that He who has taken a kind husband and father, may temper the blast to the shorn lamb.

Resolved, That in respect for the deceased and family, we omit our exercises and adjourn.

Resolved, That a copy of these resolutions be sent to the Editor of the Marysville Tribune, for publication.

OBITUARY.

Ethel, the little daughter of Garrison and Anna Newlove, born May 10th 1886, departed this life April 6th, 1888, aged one year, eleven months and four days.

Ethel is gone, Oh! who can tell
The grief that filled each heart,
When we were called to say farewell
And with our darling part.

Our home is now left lonely,
For our pet is taken away,
To the height of the sinless Angels
Our baby has grown in a day.

No more she will meet us with a kiss
As in the days of yore,
But we shall meet in realms of bliss
On that eternal shore.

Papa and mamma, weep no more;
Your darling is at rest,
But be prepared to meet her
On the shores of the eternal blest.

M. M. N.

Passed Away.

Newlove was born near Springfield, Clark county, Ohio, on the 17th day of September, 1828, and departed from this life, January 4, 1890, aged 61 years, 3 months and 17 days, leaving a widow and three children to mourn his loss. The beautiful spray of flowers from the neighbors was a silent but beautiful tribute of sympathy.

Mr. Green expressed before his death that he was ready to go and his loved ones are glad to have his assurance that he has gone where suffering and sorrow is not known.

The funeral was held at the M. E. church in Woodward, Wednesday afternoon, June 11, 1924, conducted by Rev. J. H. Beveridge, assisted by Rev. H. P. Young. The music was furnished by Miss Eva Parks, Mrs. L. A. Muncy, Messrs. D. J. and V. B. Rhoads with Miss Lucille Beveridge as pianist. The songs sung were "Beautiful Isle of Somewhere," "There'll be no Tears in Paradise" and "Abide With Me." [illegible] friends and neighbors. Interment in the Woodward cemetery.

Mr. Greene was a good neighbor, was energetic, honest and industrious and by his efforts had become the possessor of a good home and took pride in the work on his farm. His life has had its sorrow, first in the death of his wife, and a few years later, his son Will was killed by a kick from a horse. In 1913

In preparing himself for his profession, he has patronized leading seats of learning in each department. Cool and deliberate in method, close in application, and determined in purpose, he moves to the music of progress. His family are Charles Willis, born March 7, in St. Henry's, Mercer Co., O.; Benjamin Franklin, born March 22, 1871, in Lewistown, Logan Co.; Laura Hellen, born Dec. 20, 1873, and died Sept. 2, 1878, and was buried in the cemetery at Rushsylvania; Covert, born Nov. 28, 1879, in Rushsylvania, Logan Co., O.

When he was about 1 year old his father, William Francis Oglesby, died and he lived with his grandmother, Cynthia Grubb at her home, while his grandfather, Benjamin Grubb, was serving in the Union army during the Civil War, and his mother, Mary Eliza Oglesby, was working on a nearby farm at Hillard Station.
At approximately 5 years of age his mother married Smith Cain and they moved to Nokomis, Illinois. On the 28th day of November, 1888, he married Dora Belle Clemmons (Wooly). He worked on the railroad when a young man and for several years thereafter. His schooling was limited to the eight years of his time, but he improved his education by reading and his memory was a gift of Good - for he could remeber most of the poems and many of his lessons in his first "blue back" spelling book. His greatest delight after his work was done was to read. His last few years was limited to reading the latest current events and the Bible. He loved gardening and his vegaetable gardens were always the best.
The last 35 years of his life he resided in the home of his daughter, Neva (Oglesby) Sanders and her husband, Joseph W. Sanders, at Skiatook, Oklahoma.
The family looked forward to each Christmas when he recited a poem that he had learned when only a child, "The Christmas Home Coming". It was as much a part of our christmas tradition as the tree and the gifts.
Francis Wilbur Oglesby was the nicest, kindest and proud man that I have ever known. All who knew him, loved him. He was able to live long enough to injoy his great grandson, Roger Lee Stephens, for the last 4 years of his life, which was made much more enjoyable with his relationship with great-grandson. Will R. Burge

WILL R. BURGE. Trained faculties and an enlightened understanding are necessary requisites of a newspaper man in these modern days. The responsibility resting upon the man in charge of the policy and editorial branch of a newspaper is heavy and should not be lightly assumed. From the time of the discovery of the art of printing, the power of the Fourth Estate has been great, and fortunate indeed is the community whose newspapers are directed and controlled by men of real worth, integrity and knowledge. In Will R. Burge, the City of Cherryvale has a newspaper man of this enlightened class. As proprietor and editor of the Cherryvale Republican he is doing much to forward the interests of his community, and under his management the sheet is becoming a power in Southeastern Kansas affairs.

Mr. Burge was born in a log house in the Chickasaw Nation, Indian Territory, October 18, 1880, and is a son of S. B. and Josephine (Grubb) Burge. The Burge family originated in Germany, where the name was originally spelled "Buradge," and during the days preceding the American Revolution was founded in this country, one of the early members settling in Ohio. John Burge, the grandfather of Will R. Burge, was born in Ohio, and for many years followed farming in Paulding County, Ohio. Although past middle age when the Civil war came on, he enlisted in a regiment of Ohio volunteer infantry, and met a soldier's death on the field of battle while wearing his country's uniform. John Burge married Mary Meeks, who was born in 1817, in Ohio, and they became the parents of five children, namely: Reuben, who taught an Indian reservation school and died in Oklahoma; S. B.; Mary Ellen, who is deceased; John, who died on the home ranch in Oklahoma, where he was living with his mother; and W. W., who lives on a ranch near Pontotoc, Oklahoma.

S. B. Burge was born in 1840, in Paulding County, Ohio, received his education in the public schools and was reared on the home farm. He was married in his native locality and for some years engaged in farming there, but in 1879 went to the Chickasaw Nation, where he homesteaded a claim and resided until 1887. In that year he came to Kansas, and for about fourteen years was engaged in cultivating the soil near Burlington, but in 1901 retired from active pursuits and moved into the city, where he now resides. He took part in much of the early development of this locality and Oklahoma and experienced many of the hardships incident to pioneer life, but by hard work and good management succeeded in the accumulation of a property that insures his comfort in his declining years. Mr. Burge is a member of the Methodist Episcopal Church. He is a man universally respected for his honorable and straightforward dealing, as well as for his good citizenship and his fidelity to friendships. He was married in Paulding County, Ohio, to Miss Josephine Grubb, who was born in that county, in 1847, and they became the parents of six children, as follows: Franklin S., who died in infancy; Geddes M., who died at the age of twenty-six years, at Siloam Springs, Arkansas, having

for several years been a farmer in Coffey County, Kansas; Mary, who married Charles Knoblock, a farmer and ranchman of Coffey County, Kansas; S. A., who is a contractor at Burlington, Kansas; Will R.; and Minnie, who died at Burlington, at the age of nine years.

Will R. Burge was educated in the public schools of Burlington, where he was graduated from the high school with the class of 1899, and in the following year gained his first newspaper experience in the printing office of the Burlington Courier. During the four years that he remained with that paper, he became thoroughly familiar with the mechanical department of newspaper publication, and in 1904 started on a trip that took him through California and to various towns along the Pacific Coast, working at the printer's trade. Mr. Burge returned to Kansas in 1906 and secured the position of foreman with the Cherryvale Republican, and in the years that followed became more and more interested in it, until July 1, 1914, he purchased the paper and plant and became its owner and editor, it having been formerly owned and edited by H. J. Powell. The Republican was founded in 1871 and conducted merely as a weekly until 1898, when it became a daily, although the weekly has not been abolished. As its name indicates it supports the grand old party and is one of the chief adherents of republicanism in this part of the state. The plant, at No. 104 East Main Street, is equipped with the most modern presses and machinery, making possible the issuing of a clean, attractive and well-printed paper. This circulates freely in Montgomery and all the surrounding counties, and is sent in every direction in the country. Mr. Burge gives his readers clean and up-to-date news matter and editorials that are timely and virile. Local movements for advancement always find support in the Republican's columns. Mr. Burge is a stanch republican, and a member of the Baptist Church. Fraternally, he is affiliated with Cherryvale Lodge No. 137, Ancient Free and Accepted Masons, and also holds membership in the Commercial Club, in the work of which he has been active.

On October 20, 1906, at Cherryvale, Mr. Burge was married to Miss Katheryn Patterson, daughter of A. W. and Elizabeth Patterson, the latter now deceased and the former a resident of Kansas City, Kansas. To this union there have been born two children: Madeline, born August 29, 1907, and now attending the Cherryvale public schools; and Josephine, born June 10, 191

Written to George Mills, May 2007

I remember some of the Uncles and Aunts. Mostly, Uncle Bill and Aunt Anna, who built an house next to our house on the bluff, where we lived until I was 11 years old (1941). This house was Great Grandfather Grubb's house originally. We moved to the 40 acres up on the Kinskey Hill, where Dad and Mom carved out a hayfield, built the barn, with the "house" on one side, put in a huge garden, and dug the basement and put in the foundation until our Dad, Dean Burley, died in 1952 of cancer of the liver and spleen. (Ruthie was born in our barn house,)

Uncle Bill was an avid Mason, to the chagrin of the rest of the family. I believe he is buried at the cemetery in Bay View, there on Whidbey Island. While they were building their house, Aunt Anna's nephew, about 19-20 years, was helping Uncle Bill. Grace and I were about 10 and 6 years old. we kept teasing this nice fellow. One day we tied him to an upright with our jump ropes. (Perhaps he just humored us, but we loved it.)

We believe one of the Aunt Myrtle's built a smaller house in the next lot south of Uncle Bill's. To our recollection, Uncle Vivian died early with some lung disease. I remember seeing him, but he looked sickly and was often coughing. Uncle Bill and Aunt Anna had two children I remember. They were Bill Jr. and Florence. "Florency" as we remember, had a hunch back condition, but a lovely voice. She died early too. Uncle Frank Delong, became a preacher with the Free Methodist Church. Along with Aunt Pearl, served

several places, one being Maxwelton. It was reported that when Uncle Frank "got blessed", he jumped so high you could see his feet above the pew backs. I do remember Aunt Pearl, circling the church waving her "hanky" and saying "praise the LORD", especially during the Love Feast, (a time after the Communion, where we took long strips of bread to ask forgiveness of anyone in the congregation, offering them a piece of the bread and making our love relationship clear between us.) It was a melting and precious time.

I remember one Grubb reunion down at Grandpa George's house, the one south of the Church, which is down below the road, on the marsh side. One of the aunts or Seattle cousins brought raw oysters. All of us kids, were nearly gagging as we watched her down oyster after another. Lyle and Esther (DeLong) Borden, lived in this house when I was young. Their children were Betty, who lives in Smelk Beach, WA., north of here, the last I knew; Jack was next; Lyla and Shirley last. (Jack has passed on, in California, as has Shirley, who had high fevers with convulsions as a young child, which left her at about a 3-4 old age, mentally. After she began to develop, not able to go to school, her parents put her in a special home for retarded, in Buckley, WA, I believe. She maybe lived to age 25-30. (I can tell you more about these cousins and our times with them, since we lived close together.)

Noted events in his life were:

- Jack and John obtained a marriage license.

History of the
Free Methodist Church,
Whidbey Island, Washington
as written by
George Emerson Grubb

In the latter part of March, 1908, J. W. Grubb and wife and George E. Grubb and wife moved to Whidbey Island from what was known as Hillman City, Seattle, Wash.

They settled near Maxwelton, having bought some property. These four were members of the Bethel Free Methodist Church at Hillman City, Seattle, Wash.

At the session of annual conference held at Everett, Wash. in April 1908, Rev. Jas. Eva was appointed to Hillman and Whidbey Island circuit.

Arrangements were made for two appointments on Whidbey Island, one at Woodland School House and the other at Island School House, about two and one half miles apart.

Brother Eva preached at these places on the second and fourth Sundays of each month. He lived in Seattle and came over on Saturday; preaching Saturday night and Sunday morning at Woodland and Sunday afternoon and night at Island.

During the latter part of June and the fore part of July, a tabernacle meeting was held on the circuit at Newell's Mill a point between the two School Houses. This meeting was in charge of Evangelist T. H. Marsh assisted by the pastor Rev. Jas. Eva. The attendance was not large but the truth which was accompanied by the power of the Holy Spirit found its way to a few honest hearts. At the close of the meeting a class was organized composed of the following twelve member.

P. H. Mackie and his wife, Ada B. Mackie; Cyrus W. Finch and his mother, Mary A. Finch; Jas. Wm. Allington and his wife, Eva Allington; John W. Grubb and his wife, Sarah E. Grubb; George E. Grubb and his wife, Effie D. Grubb; Huldah A. Hill; and Lorena C. Brixner.

Jas. Wm. Allington and wife were received on probation, the others were full members from other churches.

Sarah E. Grubb was appointed class leader by the pastor.

Only one quarterly meeting was held during the year. This meeting was held Mar 26-28, 1909, shortly

before conference.

C. E. McReynolds, the district elder, being unable to attend, the meeting was held by Rev. W. C. Meacham assisted by the pastor. Services were held at Woodland on Friday and Saturday evenings with a small attendance. Three service were held at Island on Sunday. Bro. Meacham was blest of the Lord and gave us some good spiritual food. The attendance was good at this point. We expect the results to tell for good in eternity. Five souls were at the altar at the close of the service Sunday night. Some receiving definite help from the Lord.

Sunday, April 11, was the last service before annual conference. Bro. Eva was on hand to fill his appointments. Brother Frank Fleenor of the Radical United Brethren Church, known as the "Cowboy Evangelist" preached on Sunday afternoon and Bro. Eva at night.

At the beginning of the afternoon service Luther Dickinson and his wife, Jannet Dickinson, were received in the church on probation. At the evening service Sister Eva Allington, being a member on probation, was received in full connection. At the close of the service the congregation sang "We'll never say good bye in Heaven" and came to the front, shaking hands with Bro. Eva, wishing him God speed. We are sure that Bro. Eva has the hearts and prayers of the people of Whidbey Island and that the truth that he has delivered in the fear of God will result in the placing of stars in his crown.

At the circuit meeting held at the church in Hillman, Mar 30, 1909, Sarah E. Grubb was elected class leader of the class at Whidbey Island and Cyrus W. Finch assistant.

J. W. Grubb, Geo. E. Grubb, and Cyrus W. Finch were elected stewards for the coming conference year.

Buried in Graceland Cemetery, Burlington, Coffey Co., KS.

Died: Jan. 27, 1890

Abraham Kightlinger, who at died at his home in Burlington township on the 27th, was an old soldier, a member of the G. A. R. ---one of the many thousand heroes of the war. He served in an Ohio regiment, was severely wounded, was afterward captured at the battle of Cold Harbor, and for many months suffered the indescribable hardships and miseries of confinement in Andersonville prison. During this period the foundation of the fatal disease that caused his death was laid. A peculiar circumstance in connection with his capture was that his relatives in Ohio mourned him as dead, and funeral services were held. His obsequies under the management of Allison Post, of which he was a member, took place Wednesday.

Death Notes: The life of Benjamin Franklin Grubb from the files of Art Dwelley

Benjamin Franklin Grubb was born November 1, 1860 in Union County, Ohio as the youngest son of Benjamin C. and Cynthia A. (Gregg) Grubb. His father was born in Champaign County, Ohio in 1817 and his mother in Marietta, Ohio in 1820. Despite a long search Benjamin C.'s parents have not been positively identified. There is strong evidence that the family came to Ohio from Maryland or Virginia and took up a land grant offered to Revolutionary War Veterans, but that remains to be confirmed.
In Ohio Census records Benjamin C. was identified as a chair maker. He and Cynthia Gregg were married on June 23, 1837 and had ten children [eleven]: Mary E., Feb. 9, 1840; Amanda J., June 1841; William , Oct 8, 1844; Abarilla, 1845; Josephine, Dec. 31, 1847; John, 1849; Cynthia A., Sept. 5, 1851; Martha Alvira, Oct. 3, 1855; Florence Matilda, Sept. 29, 1858; and Benjamin Franklin, Nov .1, 1860.
Benjamin Grubb Sr. enlisted in the 30th Ohio Volunteers on August 13, 1862, and saw action at Carnifaz Ferry, Antietam, and South Mountain. He died of pheumonia at Young's Point, Louisiana during the

Vicksburg campaign and is buried inthe Vicksburg National Cemetery. Ben Jr.'s mother married John Fleming on October 29, 1868, and sometime thereafter Ben was sent to the Zenia, Ohio Soldier's and Sailor's Orphans' Home where he lived until he was 16 years old. The family legend is that Mr. Fleming "just didn't want him around".

After eaving the Orphans' Home Ben re-joined his mother and other members of the family living in Greenwood County, Kansas. There is procticlly no information about his life between his late teens and the time he married at age 35. There is some indication that he might have been employed as a barber at that time, but no firm evidence of this.

The Orphans' Home had a great influence on Ben Jr. and the strict discipline and appearance requirements he encountered there remained with him the rest of his life. His daughter, Helen, remembered him as a warm, quiet man who was meticulous about his dress and person. "He always carried a $20 bill in his shoe and considered himself flat broke when he was down to the last $20." He was employed most of his later life as an upholsterer and mattress maker.

Benjamin Franklin Grubb married Nora Cecelia Hepher in Kansas in 1895, and they were parents of six children; Marie, born Jan. 9, 1897; Iva, Wayn, Byron, Wesley, and Helen. Marie, Iva, Wayne and Byron were born in Kansas. Wesley was born May 23, 1907 in Mabton, Washington, and Helen, June 16, 1910 in Seattle. Information on Helen's birth certificate states that their home was at 4617 Juneau Street. Helen recalled that as a young girl they lived near a fire station and the horse-drawn fire engines were a vivid memory of her childhood.

About 1916 Benjamin and Nora were divorced. For a time he lived with his daughtr Marie and husband Hard Bergerson in West Seattle and then moved to a small hotel in downtown Seattle where he lived until his death on May 1, 1935 at the age of 75. He is buried at Washelli Cemetery, Seattle.

Livint at 6044 49th SW, Seattle, WA at time of death.

Cremation took place 6 May 1935

General Notes: Here are the contents of a letter written November 8, 1982 from Marie Grubb, daughter of Benjamin F. Grubb and Nora Hepner, to her niece, Beverly, daughter of Wesley Robert Grubb.

Dear Bev,

I know very little about mom & dad's past. We all lived in the present and the future, not the past. I know I was born in Kansas City, Missouri. I don't know where Iva was born. I think Byron was born in a little railway town in Kansas and Wayne was born in Wayne, Kansas, of course. You know Wes was born in Mabton, Wash. I remember Wayne, Kansas because I started to school there. When in Wayne Dad had a very bad abscess in his side. The old doctor there just gave him a shot of whiskey, laid him on the kitchen table and operated. Many years later told Dad it had been his appendix that caused the trouble. Anyway, it took Dad a long time to get over it. He got a chance to go to the country and take care of a farm. It was from there that we came to Mabton. Later we came to Seattle. We only stayed with Uncle John's family for a few days until Dad found a house for us and he went to work at the Mattress Company. About the folks on Whidbey Island I know nothing. The last time I saw any of them was before I was married. I don't know the name of the little village they lived in but I'm sure there may be some grand children around. Just ask for Grubb. Mom and Dad came from big families but I can't remember them keeping up with the ones in the East.

Mom was born in Pennsylvania and Dad in Ohio. I believe Dad's father died in the trenches of Vicksburg from pneumonia. Know nothing about his mother. She remarried and that was when Dad was sent to the Orphans home for children of sailors and solders.

Mon's mother was from Maine and here father from Pennsylvania. I remember them both because when Mom and Dad moved to the farm I was left with the Grandparents to finish the school year. Grandma was a sort of quiet stern person but Grandpa was just the opposite. He had a horse and buggy which was fixed to carry medicine and spices and other things the farmers would want and he drove around to the farms to
